Wm. Brewster, Esq.,

#145 Brattle Street,

Cambridge, Mass.

Dear Sir:-

I am extremely glad to have brought Mr. Kopamn's papers to the notice of ornithologists by the copies which we have placed in certain large libraries.

I have requested the Times-Democrat to keep specially at least ten sets of each of the numbers containing these papers. They are now eighteen in number at 5¢ a piece, and they assure me that they can supply up to ten complete sets. I think therefore an application direct to the Publishers, Times-Democrat, Camp Street, New Orleans, La., will secure you what you desire.

Yours very truly,

William Beer

Librarian.

P. S. I have seen the Times-Democrat people who will on receipt of $1.00 send you the whole of the numbers issued and the subsequent ones, within that sum.
